## **Preface**

To mark the Centennial of SCM in Aotearoa/ New Zealand in 1996, SCM Aotearoa decided to encourage the writing of a thesis on the history of SCM. Funding for a scholarship was obtained from the Prince Albert College Trust of the Methodist Church of New Zealand. SCM Aotearoa was able to offer a scholarship for an MA student to write a history thesis. Christine Berry, then a member of TSCF, was the successful applicant. For those interested in the thesis, it is entitled "Liberal Christianity and the New Zealand Student Christian Movement," 1996 Auckland University. This booklet is a condensed version of the thesis.

Michael Perkins, National Secretary, September 2001.
